**ACT360 Solutions Amendment and Re-filing of Management Discussion and Analysis for Third Quarter Ended June 30, 2009**

November 13, 2009, Richmond, British Columbia — ACT360 Solutions Ltd. (the “Company” or “ACT360 Solutions”) is issuing this press release to clarify our disclosure following a review by the British Columbia Securities Commission. The Company today announced the amendment and re-filing of its Management Discussion and Analysis (the “Amended and Re-Styled MD&A”) for the third quarter ended June 30, 2009 to provide additional information as identified by the review.

In the Amended and Re-Styled MD&A, the Company has revised its forward looking information disclosure to comply with Part 4A of National Instrument 51-102. The Amended and Re-styled MD&A identifies forward-looking information and discloses the material factors or assumptions used to develop forward-looking information.

The Company has also provided a summary table of its results for the last eight fiscal quarters plus additional disclosure on factors that caused variations over the eight quarters to comply with Part 2 of Form 51-102F1.

Finally, the Amended and Re-Styled MD&A includes a discussion of the nature of, and the causes for the changes in, the Company’s major expense categories for the three and nine-month periods ending June 30, 2009.

The Amended and Re-Styled Management Discussion and Analysis for the quarter ended June 30, 2009 is available at [www.sedar.com](http://www.sedar.com).
