ACT360 Solutions Announces Financial Results for Third Quarter Ended June 30, 2008

August 28, 2008, Richmond, British Columbia — ACT360 Solutions Ltd. (the “Company” or “ACT360 Solutions”), a developer of Internet-based training and assessment applications, announced its interim financial results for the quarter ended June 30, 2008. Interim results were prepared by management in accordance with Canadian generally accepted accounting principles and are unaudited.

Third quarter 2008 results, compared with the same period in 2007, are as follows:

	Three Months Ended June 30, 2008	Three Months Ended June 30, 2007	Nine Months Ended June 30, 2008	Nine Months Ended June 30, 2007
Sales	\$135,986	\$117,492	\$455,254	\$344,035
Net Income (Loss)	(\$44,659)	(\$19,057)	(\$25,880)	(\$60,149)
Earnings (Loss) per share	(\$0.00)	(\$0.00)	(\$0.00)	(\$0.00)
Total Assets	\$384,917	\$354,542	\$384,917	\$354,542

On a consolidated basis for the three months ended June 30, 2008, the Company had a loss of \$44,659 on sales of \$135,986 compared to a loss of \$19,057 on sales of \$117,492 in the same period a year ago. The revenue increase resulted primarily from higher recurring hosting fees from custom e-learning projects.

For the nine months ended June 30, 2008, the company had a net loss of \$25,880 on sales of \$455,254 compared to a loss of \$60,149 on sales of \$344,035 for the nine months ended June 30, 2007.

On a consolidated basis, expenses were \$183,167 in the third quarter ended June 30, 2008 compared to \$140,890 in the third quarter ended June 30, 2007. Promotion and travel, wages, and equipment rental were all higher in the current quarter.

During the quarter, the Company launched a number of pilot e-learning projects with new marketing partners in China. The most significant was the launch of the TestDEN mini testing service on the www.qq.com internet platform of Tencent Holdings Limited (“Tencent”). Based on Shenzhen, Tencent operates China’s largest internet service portal with 741 million registered instant messaging users and 300 million active accounts. The purpose of the pilot is to assess Chinese demand for the Company’s testing services and to evaluate new revenue opportunities for the Company’s online and mobile products.

The unaudited interim financial statements and Management Discussion and Analysis for the quarter ended June 30, 2008 are available at www.sedar.com.
