ACT360 Solutions Announces Financial Results for Second Quarter Ended March 31, 2009

May 28, 2009, Richmond, British Columbia — ACT360 Solutions Ltd. (the “Company” or “ACT360 Solutions”), a developer of Internet-based training and assessment applications, announced its interim financial results for the quarter ended March 31, 2009. Interim results were prepared by management in accordance with Canadian generally accepted accounting principles and are unaudited.

2009 second quarter highlights, compared with the same period in 2008, are as follows:

	Q2 2009	Q2 2008
Sales	\$151,766	\$199,048
Net Income (Loss)	(\$14,537)	\$24,051
Earnings (Loss) per share	(\$0.00)	\$0.00
Total Assets	\$336,469	\$381,073

The Company continued to experience challenging business conditions as reported in the first quarter of 2009. Corporate training budgets continued to be cut back in the second quarter, and new customer acquisition efforts did not meet expectations. For the three months ended March 31, 2009, the Company’s revenue decreased by 24% to \$151,766 compared to revenue of \$199,048 for the same period in the previous year.

On a consolidated basis for the three months ended March 31, 2009, the Company had a net loss of \$14,537 on sales of \$151,766 compared to a profit of \$24,051 on sales of \$199,048 during the same period in 2008.

On a consolidated basis, expenses were \$167,187 in the second quarter ended March 31, 2009 compared to \$176,261 in the second quarter ended March 31, 2008. Increases in amortization expenses and wages were offset by decreases in commission, equipment rental and promotion expenses.

The unaudited interim financial statements and Management Discussion and Analysis for the quarter ended March 31, 2008 are available at www.sedar.com.
